### Spring 2010 Festival Scores Big!

The Spring 2010 Festival of the Sioux City York Rite scored big in several ways. First and most important, it scored thirteen new companions. Second, it scored because so few did the work of so many. Third, everyone who attended had a great time!

The Sioux City York Rite is one of the two largest in Iowa, but its members

have become lethargic. This Festival shows how lethargic. During the Festival the sidelines were devoid of attendees. Degree teams were cut to the bare bones and floor work modified to accommodate the reduced casts. Despite the handicaps thirteen new Companions were created on Friday and twelve were knighted on Saturday. One of our Companions had

a prior commitment, but he'll be back in September.

The Festival's success was made possible by all, but a special group worked above and beyond the call of duty. These included Dennis Boehmer, Randy Crouch, Phill Severson, Rick Martin and Dick Storm.
